

RULES OF ALL PROJECTS

All trade-contractors, suppliers & their company employees must read and adhere to all of these rules or be subject to a back charge for each violation.

The following actions are absolutely forbidden on the Owner's property at all times.

- Use of Alcohol, Illegal Drugs, or Weapons, and no Hunting – do not ask Owner.
- No Smoking from project curbs on or throughout Owner's property lines.
- Loud Music
- Use of profanity or insulting language

Professionalism is required when on the Owner's property

- Courtesy to the Owner and all other workers
- Wear appropriate attire on the project, including but not limited to, shirts and work boots.
- Do not direct technical or contractual questions to the Owner, ask first the Habitat Representative on site or phone the office or phone your supervisor first.
- Direct all your questions about the work to The Habitat Project Manager or the designated employee. Do not involve or ask the Owner.
- Never use Owner's personal property, toilet, appliances, tools, supplies or radios or TVs.
- Never enter the Owner's quarters that are not directly and immediately tied to current job phase.

Clean up and Safety

- Clean up continually and keep organized and leave your work area neat at day's end.
- Maintain and leave your work area safe at all times.
- Use portable toilets, most projects will have toilets provided by Habitat.
- There shall be absolutely no debris of any sort left on the jobsite.

Security of the Owner's Property

- The last person to leave must lock up the house.
- If there is any problem locking the house, you are required to contact The Habitat Manger/office before you leave the house.

Parking of Vehicles

- You are responsible to protect the Owner's property against damage.
- Parking on the street is recommended when practical. If vehicle leaks, protective measures are to be addressed at all times. (NO PARKING ON DRIVEWAYS ANY TIME)

I. PARTIES This **Master** Subcontract (hereinafter referred to as "Agreement") is being entered into on the _____ day of _____, 20____, and is between Knoxville Habitat for Humanity, (hereinafter referred to as "Contractor"); and _____, (hereinafter referred to as "Subcontractor"). By signing this Agreement, Subcontractor warrants that he is fully experienced, properly licensed, and insured to perform the type of work described in this Agreement, and that he is an independent contractor and not an agent or employee of the Contractor. Subcontractor's business is a: Sole Proprietorship; Partnership; Corporation

Subcontractor's Federal Tax I.D.# or S.S.#: _

II. SUBCONTRACTOR RESPONSIBILITIES Subcontractor will furnish all labor, equipment, tools, materials, transportation, supervision, and all other items required for safe operations to complete the following work which will comply with the latest edition of all applicable building codes and the Contract.

Subcontractor will not use Habitat's tools, equipment, supplies, or personnel. Subcontractor is responsible for the instruction and supervision of his own crews; Subcontractors shall not leave a crew on The Habitat job site unless the assigned crew has exact instruction of what their work is to be.

III. NERAL SCOPE OF WORK DESCRIPTION AND SUBCONTRACT AMOUNT

The Scope of Work, specific description of the work, subcontract amounts, project schedule and draw schedule for each project under this agreement shall be attached hereto and incorporated herein as a Scope of Work Exhibit.

III. GENERAL CONDITIONS FOR THE SUBCONTRACT AGREEMENT ABOVE

A. EXCLUSIONS FROM SUBCONTRACTOR'S SCOPE OF WORK Labor and materials for work on projects that are not included by Subcontractor shall be set forth in each Scope of Work Exhibit.

B. CONTRACT DOCUMENTS Subcontractor will perform its work in accordance with all Contract Documents, which are identified as follows:

- This Construction Agreement, and with regard to each project:
- Plans
- Specifications
- Addenda
- Miscellaneous

Subcontractor is required to walk through Contractor's Project site to determine the location and best application of project products. Upon commencement of work on any project, Subcontractor warrants that he has been furnished all Contract Documents referred to above and has thoroughly familiarized himself with all Contract Documents and the existing site conditions.

The intent of the Contract Documents and this Agreement is to obtain a complete and professional job. Subcontractor agrees that the Scope of Work covered by this Agreement and the Scope of Work Exhibit shall include all labor and materials that are both specified and reasonably implied by the Contract Documents.

C. PERMITS, INSPECTIONS AND CODE VIOLATIONS

It is the Subcontractor's responsibility to obtain all permits and inspection for his work, exception would be of concealed existing conditions. Subcontractor is required to walk through Contractors Project site to determine the location and best application of project products. Subcontractor warrants that he has thoroughly included in his proposal all relevant labor and materials for a complete install and approved permits.

Habitat will make an effort to coordinate the inspection dates and the Subcontractors inspections for the purpose of having a Habitat representative on site for inspections. If Subcontractor's inspection is not passed or approved by county it will be Subcontractor's responsibility to assign his own personnel to be at the project site during the re-inspection, to include waiting for inspector to arrive.

Subcontractor agrees to assume responsibility for compliance with all applicable federal, state, and local laws with regard to health, safety and accident prevention and rules, regulations and standards promulgated there under relating to the work to be performed by Subcontractor.

Subcontractor agrees to indemnify, hold harmless and defend Contractor and Homeowner from any claims, causes of action, liability, damages or penalties including costs and attorney's fees incurred arising out of or in conjunction with Subcontractor, its Sub-Subcontractors, agents, officers, directors, trustees or employee's acts or omissions, the violation of or noncompliance with any the aforesaid laws, rules, regulations and standards in any forum relating to the performance of the Subcontractor on any project or regarding this Contract.

D. WORK COMMENCEMENT AND COMPLETION TIME

TIME IS OF THE ESSENCE in all aspects of Subcontractor's performance. Subcontractor shall perform his work in accordance with the schedule of Habitat.

E. WORK SCHEDULES

Schedules are only authorized by Contractor. Subcontractor is not authorized to give the Homeowner a schedule for the sub-phases. Subcontractors are to instruct Homeowner to contact Contractor with all scheduling questions. Subcontractor is to discuss with Contractor the schedule, date changes or additional days, Contractor will verify and notify Homeowner of dates. The initial work schedule shall be incorporated in the Scope of Work Exhibit and shall be amended only by written change order signed by both parties.

F. CHANGES IN THE WORK Only the Contractor shall have the right to order changes in the scope of Subcontractor's work (both additions and deletions). These changes shall be made in writing and signed by both Subcontractor and Contractor prior to commencement of any Change Order work by Subcontractor. Change Orders shall be in conformance with the attached form Change Order.

Inspect the existing conditions before you start work. Alert Project Manager to any problems with the substrate you are working. Unless defects are pointed out prior to beginning work, you will be responsible for the cost of any rework necessary to correct defects.

If the change will affect your assigned phase, you are to stop your work and contact the Project Manager, If Project Manager is not available, do not continue. The Homeowner can not authorize changes. Direct the Homeowner to Habitat and if the change will directly affect the current phase, you are to stop the project to obtain Contractor change order.

G. BACK CHARGES AND PROTECTION OF THE WORK Contractor has the right to deduct from progress payments due to Subcontractor the cost of repairing damage caused by Subcontractor or the cost of repairing/replacing Subcontractor's defective work if Subcontractor fails to take significant steps toward correcting this damage or non-conforming or defective work within 2 days after receiving notice from Contractor. Subcontractor agrees to be responsible for protecting all of its work in progress.

Contractor has the right to deduct from payments due to Subcontractor for any violations of this contract to include (for each offense):

Smoking on property \$50.00

Not Cleaning up work area \$50.00

Not leaving area locked up and or Subcontractor enters without authorized reason into Homeowners living quarters that are not job site related could result in immediate termination of Subcontractors contract.

Contractor has the right at his discretion to halt and or terminate Subcontractor from the job site while allocations of violations are being reviewed.

H. INDEMNIFICATION All work performed by Subcontractor pursuant to this Agreement shall be done at the sole risk of the Subcontractor. Subcontractor (and its agents) shall at all times indemnify, protect, defend, and hold harmless Contractor and Owner from all loss and damage, and against all lawsuits, arbitrations, mechanic's liens, legal actions, legal or administrative proceedings, claims, debts, demands, awards, fines, judgments, damages, interest, attorney's fees, and any costs and expenses in any form which are directly or indirectly caused or contributed to, or claimed to be caused or contributed to by any act or omission, breach, fault or negligence, whether passive or active, of Subcontractor or his agents, employees, or lower-tier subcontractors, subsidiaries, employees, agents, assigns, officers, directors, members or invitees in connection with or incidental to the work under this Agreement and Exhibits attached hereto.

I. SUBCONTRACTOR'S INSURANCE Before commencing work on the project, Subcontractor and its Subcontractors of every tier will supply to Contractor duly issued Certificates of Insurance, naming Contractor as a certificate holder, showing in force the following insurance for comprehensive general liability in occurrence form, automobile liability, and worker's compensation:

- Comprehensive general liability (in occurrence form) with limits of not less than \$1,000,000.00 per occurrence;
- Worker's compensation insurance

All insurance binders must contain a clause indicating that certificate holders be given a minimum of 30 days written notice prior to cancellation of Subcontractor's insurance. Subcontractor must furnish the insurance binder referred to above as an express condition precedent to the Contractor's duty to make any progress payments to Subcontractor pursuant to this Agreement. Neither Contractor's nor Owner's insurance shall be called on to contribute to a loss caused in whole or part by the negligence of Subcontractor. Should Subcontractor not carry worker's compensation insurance coverage to protect its principals from work-related injuries fully release and shall hold harmless, indemnify and defend Contractor and Owner from any injuries that may occur to the Subcontractor and/ or its principals during the course of this project. In no way does this provision affect the absolute duty of every Subcontractor to provide worker's compensation insurance coverage to each and every one of his employees according to the provisions of this Agreement and all applicable state and federal laws.

Subcontractor, its Agents, Employees and its Subcontractors fully release, and shall hold harmless, indemnify and defend Contractor from any injuries that may occur to the Subcontractor, its Agents, Employees and its Subcontractors during the course of this project. In no way does this provision affect the absolute duty of every Subcontractor to provide worker's compensation insurance coverage to each and every one of his employees according to the provisions of this Agreement and all applicable state and federal laws. Habitat requires both Subcontractor and its Subcontractors to carry workers compensation for their principals personally, Employees, and Agents for the entire term of the working relationship.

In consideration of the mutual promises contained herein, the parties agree as follows: If Subcontractor does not have workers compensation coverage Contractor will deduct 20% of

all Subcontractor labor fees. If Subcontractor does not have general liability coverage Contractor will deduct 20% of all Subcontractor invoices. If Subcontractor does not have auto coverage Contractor will deduct 20% of all Subcontractor invoices.

J. CLEANUP Subcontractor will continuously clean up its work areas, and keep them in a safe, sanitary condition, and remove all of its debris on a periodic basis. End of day the areas are to be broom swept and without any debris.

K. NO SMOKING

Smoking is prohibited on the entire the job site to include from the road curb and all perimeters of the Homeowner's yard.

L. EXPRESS WARRANTY At the request of Contractor, Subcontractor will promptly replace or repair any work, equipment, or materials that fail to function properly for a period of one year after completion of the project, or any longer period imposed by State or Federal law, whichever time period is longer, at Subcontractor's own expense. Subcontractor will also repair any surrounding parts of the structure that are damaged due to any failure in Subcontractor's work during the warranty period stated herein.

M. LAWS, REGULATIONS, AND SAFETY Subcontractor and its employees and representatives shall at all times comply with all applicable laws, ordinances, rules and regulations, whether federal, state, or municipal, particularly those relating to wages, hours, working conditions, non discrimination, anti-kickback, safe operations, all applicable union contributions, and the payment of all taxes. Subcontractor will comply with all statutes and regulations that establish safety requirements (including, but not limited to those of OSHA and any state agency regulating job-site safety). By signing this Agreement, Subcontractor knowingly and willingly accepts full responsibility for the safe operation of all of its activities and the protection of other persons and property during the course of this project.

Subcontractor is to furnish all warranty information and operation manuals relating to its work on the project to Contractor.

N. SUBCONTRACTOR DEFAULT If Subcontractor fails to diligently complete work under this Agreement or fails in any way to perform in accordance with all the terms and conditions of this Agreement, then Contractor may, without prejudicing any other rights he may have, give a 72-hour Notice to Subcontractor to cure his default. If Subcontractor does not cure his default within 72 hours of receiving notice, then Contractor may immediately terminate this Agreement for cause by giving Subcontractor notice of termination of this Agreement. Contractor will deduct the cost to resolve any deficiencies in the work or defaults and Contractor will then have no duty to pay Subcontractor any remaining funds due until the project has been completed. If the cost to complete Subcontractor's work and the amount of funds paid to Subcontractor to date exceeds the contract amount of this Agreement, Subcontractor will then be responsible for immediately paying this difference to Contractor. Subcontractor is responsible for paying all of Contractor's attorney's fees and court costs in connection with the enforcement of this clause.

O. ASSIGNMENT Any assignment of any part of this contract is prohibited and void without the prior written consent of Contractor.

P. DISPUTE RESOLUTION AND ATTORNEY'S FEES Any controversy or claim arising out of or related to this Agreement involving an amount less than \$5,000 (or the maximum limit of the Small Claims Court) Upon written notice of either party, any dispute over the dollar limit of the Small Claims Court arising out of this Agreement shall be submitted to an experienced private construction mediator who shall be mutually selected by the parties to conduct mediation. The mediator shall also be either a licensed attorney or retired judge who is familiar with construction law.

Subcontractor agrees to contractually make this provision bind and "flow down" to all lower-tier Subcontractors. This Agreement is not assignable. The prevailing party in any legal proceeding related to this Agreement shall be entitled to payment of its reasonable

attorney's fees and costs incurred, and shall be entitled to post-judgment interest at the legal rate.

Q. ENTIRE AGREEMENT, SEVERABILITY, AND MODIFICATION This Agreement represents and contains the entire agreement and understanding between the parties. Prior discussions or verbal representations by Contractor or Subcontractor that are not contained in this Agreement are not a part of this Agreement. In the event that any provision of this Agreement is at any time held by a Court to be invalid or unenforceable, the parties agree that all other provisions of this Agreement will remain in full force and effect. Any future modification of this Agreement should be made in writing and executed by Subcontractor and Contractor.

R. ADDITIONAL LEGAL NOTICES REQUIRED BY STATE OR FEDERAL LAW See page(s) attached: Yes____; No____

S. ADDITIONAL TERMS AND CONDITIONS Job Site Rules Of All Projects shall be attached hereto or included in the Scope of Work Exhibit, or may be later incorporated by written change order.

I have read, I understand, and I agree to all of the terms and conditions contained in the Agreement above, and I have full authority to enter into this Agreement, fully binding the party that I represent. I further agree that electronic signature or by facsimile shall be considered an original signature.

T. Debarment and Suspension.

I certify that my company/I:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against me (us) from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section Tb. of this certification; and
- d. have not within a three (3) year period preceding this Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

Invitation to Bid: HVAC**

Submit Two Quotes, One for a 2 Ton and One for a 2 ½ Ton Unit

Your bid should be submitted as turnkey cost per ton installation. Your bid should include all permits, labor, materials, connections and inspections required to complete a single family detached house to EcoBuild specification, including:

- Cooling equipment sized and installed according to correct Manual "J" calculations based on actual house design, specifications, and orientation. (MLGW will calculate and prescribe the correct tonnage for each house)
- Gas Furnace, 80,000 BTU (80% AFUE or Higher)
- Cooling equipment rated at a minimum 14.0 SEER efficiency.
- Heating and cooling units must be verified in the Air Conditions and Refrigeration Institute (ARI) Manual as a tested system.
- Programmable Thermostat
- Extended plenum design with end cap
- Ducts designed and installed to meet room air delivery requirements as set in Manual "J"
- No main HVAC trunk lines made of Flex duct
- No flex duct take-offs over 3 feet long
- Ducts cut to exact length and supported to manufacturer's specifications
- No turns in ductwork greater than 90 degrees
- Air-balancing dampers installed at each takeoff
- Supply and return grills must be at least six feet apart
- Furnace cabinet must be elevated 1.5" to 2" above overflow pan bottom
- Duct installation of R-8
- Duct system, HVAC unit, and takeoff collars must be sealed with Mastic tape or Mastic paint to insure 8% or less air leakage, as determined by MLGW duct blaster test.
- Boots caulked to sheetrock prior to grill installation
- 20 X 25 Filter grill with a Pleated-Media air filter
- Vents for a Vent-A Hood and Bathroom Vent Fans to outside
- Dryer vent to outside

Installation will only be considered complete following the successful conclusion of MLGW testing and the receipt of EcoBuild Certification.

Work to be performed, must conform to all applicable local, state, and federal codes and restrictions.

To be considered, your bid must include a completed Company Profile Form, a copy of General Liability Insurance, a copy of Workers Comp. Insurance, and a signed Comprehensive Subcontractor Agreement.

The successful bidder, must agree to conform to Habitat's tight build schedule.

A 501C(3) Tax Exempt Charitable Organization

Invitation to Bid/Request for Qualifications

Roofing Contractors

(Please keep in mind this is not a roof repair, this is a full roofing system replacement program, and we are seeking roofing companies.) *You must demonstrate that your company is a roofing project with reference numbers within the last year. Submit a letter of reference from your roofing material supplier, demonstrating that you have a charger account with them and are in good standing.

Quote a turn-key price, including all labor and materials, for a same day removal and replacement of decking, removal and replacement of felt paper and shingles and same-day disposal of all to include the following:

50 pcs of 4x8 decking
16 Rolls 30lb. Felt
24 Sq. of 30yr Architectural Shingles
6 Sq. 25 yr. 3Tab Shingles
2 Rolls Ridge Vent
1 Roll 90lb. Roll Roofing

*Include your plan for same-day disposal of all materials and cleaning of entire job site (the curb is not an acceptable dump site).

*Several progress photos and final photos upon completion will be required.

*It is often that rafters and cornices are rotted and need replacement; this would be dealt with on a need-by-need basis. We would expect this to be completed in the same day. Please demonstrate your plan for this.

*Any replacement wood will have to have a coat of paint to protect the wood.

*Work performed must conform to all applicable local, state, and federal codes and restrictions.

To be considered, your bid must include the following:

1. Completed Company Profile Form
2. Copy of General Liability Insurance
3. Comprehensive Subcontractor Agreement
4. Workers Comp
5. General contractors License Number and State of Issuance
6. Knox County Business License Number
7. (If applicable) M/WBE Certification and/or evidence that it has been applied for

If you fail to provide any of these items with your submittal, you will not be considered.
