

CEO Build | 2020

Join other top executives from Knox County to give hardworking families the opportunity to build and buy their own home.

Executives will help swing a hammer and kick off the construction of a new home for a local family on Friday, April 17, 2020. The project will conclude with a home dedication ceremony in summer 2020.

The Knoxville Habitat CEO Build offers high corporate visibility, media attention and concrete opportunities for your employees to give back to their community. Foundation and Build Sponsors can reserve an employee team-building day on the build day of your choice.

CEO Build 2020 Benefits:

- Receive media recognition for your leadership and investment in the community
- Access an exclusive cross-industry networking opportunity
- Strengthen corporate relationships outside of the workplace
- Encourage a corporate culture of giving
- Foster employee collaboration with a team-building day
- Participate in a growing project with a statewide and national vision of expansion
- Offer a hand up to local families in 2020
